# **NEWSLINK**

**September 2017**

A very warm welcome to session 2017-2018! We are delighted to welcome all our new children and families to our school, and look forward to getting to know you, through your involvement in the life of the school community. It is the strong home-school partnership which can have the greatest impact on your child's learning. Please do get involved where you can.

## **Forehill Aims, Vision and Values**

Following a lot of work with staff, young people and parents last session, we have now completed the review of our school aims, our values and our vision. I have attached to the newsletter, a copy of these for you. These underpin all we do in Forehill to ensure our young people get the best experiences possible.

## **Staffing News**

We warmly welcome many new staff to Forehill -Miss Johnston (P5J) Mr McCallum (P7C), Mrs Hamrouni (Pupil Support), Miss Ward, Mrs Gill, Mrs Cameron, Mrs Dizlek (School Assistants) Miss Dempsey (Early Years) Mrs Muir and Mrs Steel (Clerical). Mr Daily has also taken up his new post in Forehill as our School Development Worker. We are delighted to welcome Miss Law back to school to teach P2/3 following her maternity leave. We wish Mrs Murray all the very best, as she leaves us to start her maternity leave this week!

## **Keeping Our Children Safe**

As we start a new session, can I once again please remind **ALL** parents and carers about the importance of safe and legal parking around the school. The school car park should **NOT** be used to drop and collect children, as this is for staff only. I would ask that drivers show courtesy to residents, by ensuring driveways are clear. Please note, Police Scotland and Parking attendants will continue to make unannounced visits to the school and will impose fixed penalty charges.

## **What is Your Child Learning?**

Class teachers have outlined the learning focus for all classes for Term 1. This will shortly be uploaded to the class pages of the school website. I would encourage you to have a look! This should help you to support your children and talk about what they have been learning in class.

### Improving Our School

We are always reflecting on what we do, to ensure we continue to provide the best we can for our young people. I have included on the parental response sheet at the back of the newsletter, three short questions. I would ask you to consider these with your child, and respond, with a particular focus on their **learning**. Through our self-evaluation and consultation with staff, parents and pupils, we identify the key areas of development for the school. This session, we will be focussing on Technologies, Modern Languages, Mental Health & Wellbeing, and the Assessment of learning. We will also be working with children across the school to further develop skills and knowledge around the world of work. Our full improvement plan will be uploaded and available on the school website shortly.

### Use of Dojo

Some teachers in the school choose to make use of the Dojo system to track class rewards and share information with parents. This is a personal choice and not school policy. It is in place to further support effective communication about **learning**. Any queries in relation to any other aspect of school life should be made via the office in the first instance.

### Drinking Water at School

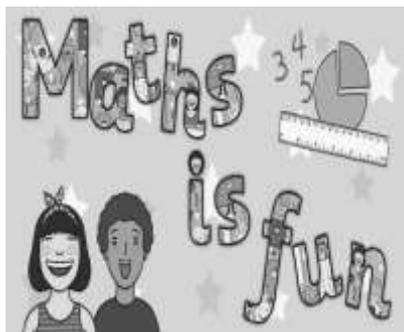

Forehill Primary fully supports the Scottish Government's guidance around Healthy eating in schools. Many parents provide a water bottle and all children have access to drinking water throughout the school day. Some children choose not to drink during class time and that is a personal choice and not monitored by class teachers. Should you wish your child to have access to juice instead of water - this can be provided as part of their snack at morning break or at lunchtime, but **not** during class teaching time.

### Parents' Night - Wednesday 11<sup>th</sup> October

Our Parents' Open Day will be held in the school on **Wednesday 11<sup>th</sup> October** between **3.30pm and 5.00pm** and then again from **6.30pm - 8.00pm**. This is an open day and no formal appointments will be issued for this round of meetings. You are invited to drop in at some point over the two sessions. You will still have the opportunity to speak to your child's teacher, see the work your child is doing and to ask any questions you may have. You are encouraged to bring your children along. Parents' nights should not bring surprises to either parent or teacher. If you have any concerns about your child's learning, you should make contact with the school immediately, and not feel you have to wait to raise these at planned parent/teacher meetings.

## Support & Challenge - Maths in P5,6 & 7

This session, we are delighted to have some additional flexibility in our teaching staff, which I have targeted to Primaries 5, 6 & 7. Mrs McNair will be working with small groups of learners from these stages, to support and challenge the children with some aspects of numeracy and mathematics. I would ask that parents support us with this by ensuring homework tasks are completed and followed through at home.

## Bikes / Scooters in Playground

To ensure everyone is kept safe, I would ask that parents remind children they should not ride scooters and bicycles in the playground at the start and end of the school day. We have already had a couple of near accidents since the start of the new term.

## School Development Worker

Mr Daily, one of our school assistants has been appointed to the new post of School Development Worker here in Forehill. His remit is wide and varied and will support myself and the management team to engage more fully with families, supporting attendance and late-coming and will create opportunities for child and parent learning across the school. The main aim of the work he is undertaking is to improve outcomes for targeted groups of learners and their families.

## Go Purple Event

Once again, our P7 classes with a great deal of help from Mrs Gray, will be organising our fundraising Coffee Morning in aid of the Ayrshire Hospice "Go Purple" appeal. This will take place on the morning of **Friday 13<sup>th</sup> October**. I would encourage everyone to attend and look forward to welcoming you to the school. Please put the date in your diary.

## Health & Safety - Medication

Please note that children should **NOT** be sent to school with medication in schoolbags. Any requests for children to take medication at school should be discussed with myself or Mrs Hartley via the school office. The necessary paperwork must be completed.

## 50<sup>th</sup> Year - Golden Jubilee

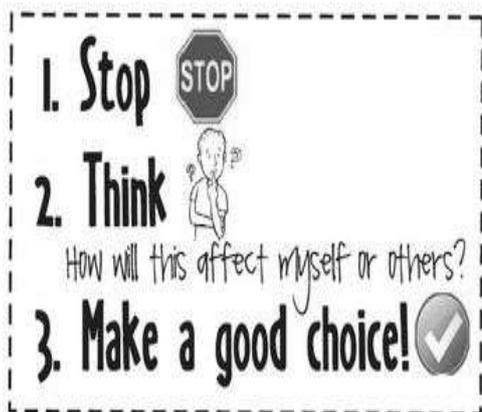

As you are aware, this session marks the 50<sup>th</sup> Year of the school being fully open to all classes P1-P7. A number of events are being planned to mark this, and we hope to have a full list available in the next edition of Newslink. In the meantime, a facebook page entitled "Forehill Primary 50<sup>th</sup> Anniversary" @forehill50 has been set up to share photos and memories. If you haven't already, please have a look. In addition, should any parents and friends have old photos, artefacts and memories, we would love to borrow these to set up a gallery of photos for our open day later in the session. These can be handed into the school office.

## 50<sup>th</sup> Year - Wall Hanging

As part of our 50<sup>th</sup> Celebrations, one of our parents - Lucy Martin has been working with children across the school to design and make a large fabric wall-hanging for the school, reflecting all areas of learning. Lucy is keen to hear from other parents, grandparents and friends who could work with her to assist with sewing and designing parts of the hanging. Should you be willing to get involved, even for a short time, please pass your name to the school office and someone will be in touch.

## Making Good Behaviour Choices

We continue to have high expectations in relation to pupil behaviour across the school and work a very structured and clear behaviour system of reminders, rewards and sanctions. The main aim is to encourage children, no matter the age, to take responsibility for the choices they make in relation to the way they behave. As you will appreciate, some young people's perception of situations doesn't always match that of others! The behaviour policy is available on the school website for you to read. Please do not hesitate to get in touch should you have any queries about this.

## Inspiring Resilience and Good Mental Health

This year, following requests from parents, our learning evening for parents will be centred around good mental health, positive mindset and building resilience. All pupils in the school will be involved in workshops in the school on **21<sup>st</sup> and 22<sup>nd</sup> November**, and parents are invited to attend a workshop and information session for parents in the school on the evening of **Wednesday 22<sup>nd</sup> November** at 7.00pm. Please keep the date free. More detailed information will be issued nearer the time.

## Music Instruction in School

We are so fortunate to have music instructors who visit the school on a weekly basis, to work with children learning strings or woodwind instruments. Children receiving tuition or being offered this will undergo a short test to establish their potential to learn a specific instrument. The following staff are in school each week: Miss McKail & Mr O'Connell - Strings, Mr Gonzales - Woodwind and Mrs MacFarlane - Brass. I would remind parents there is an expectation that children who are out of class for music instruction would catch up at home with any missed class work.

### **Award of Ambition 2016-17**

Each year we provide Primary 7 pupils with the opportunity to take part in the Award of Ambition as part of our Developing Personal Wider Achievement Programme. We are delighted that last year all of our Primary 7 pupils took part and achieved this. It is with great pride that we congratulate our Primary 7 Classes of 2017 and wish them well as they settle into their new secondary schools.

### **Primary-Secondary Transition Events**

During the course of the year Active Schools in partnership with Kyle Academy P.E colleagues will organise and deliver evening transition events for Primary 5-7 pupils. Attending these events provide our young people with the opportunity to become familiar with the surroundings at Kyle and enable them to begin to build positive relationships with teachers within the P.E. department and their peers from Grammar Primary, who will be joining them at Kyle in the years ahead. Moving from Primary to Secondary School, although exciting, is a period of significant change, which some of our young people may find challenging. Attending the transition events will help to build their confidence and develop personal skills, which will support them on their journey from Primary to Secondary School. We sincerely hope that our young people will be encouraged to make full use of these wonderful opportunities.

### **School Photographs - Individual and Family Groups**

The temple photographer will be in the school on **Tuesday 3<sup>rd</sup> October** to take individual portraits and if required, family groups of all children from Nursery through to P7.

### **Wet Mornings & Supervision in Playground**

Can I please remind parents that children will not have access to the building before 8.55am on wet mornings. I would ask that children remain at home as long as possible on mornings where weather is inclement. Please note, there is no adult supervision in the playground prior to the bell at 9.00am.

### **Late-coming and Absences**

A number of children are already arriving at school well after the bell each morning. Can I please remind parents of the importance of ensuring children are in line for 9.00am. Children arriving after 9.00am should enter by the main entrance and report to the school office. I monitor closely, children's late-coming and attendance and will write to parents where this is causing concern.

## Photography & Recordings

From time to time throughout the year, photographs and video recordings of children are taken and used in the local press, media, on our website and in displays across the school. Should you not wish your child to be photographed or included in any recordings for any reason, I would ask that you put this in writing to me as soon as possible. Please note, where no response has been received, we will presume parents/carers give full permission.

## Cycling to School

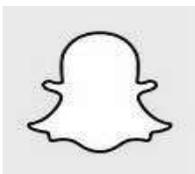

As you may know, as part of our PE curriculum and electives, we provide cycle training to pupils in Primary 5 and Primary 6. Our aim is to encourage as many children as possible to cycle safely to and from school. We have in the playground, excellent safe cycle storage facilities and would encourage pupils to make use of these - particularly those who will be involved in Bike Ability. Obviously the final decision about safe cycling to and from school lies with parents.

## PE Kits

In order to participate fully and safely, all pupils must have the correct PE kit. This should include indoor gym shoes or trainers, shorts and a t-shirt. Please note, there will be times when older children will undertake PE outdoors. We would ask that a pair of jogging trousers, warm jacket and outdoor trainers and brought to school for this purpose. For health & safety reasons, all jewellery should be removed for gym and long hair tied back.

## Keeping Safe On Line

Snapchat is an extremely popular app with young people and they have recently launched a new feature called Snap Maps. This location based map allows users to see where in the country their Snapchat contacts are, as well as seeing location based photos and videos. Many young people will have 'friends' on Snapchat that they have never met in person,

consequently, this could mean that those people are able to use Snap Maps to build up a picture of where your child lives, where they go to school and where they spend their free time. It is therefore important that young people consider who they share this information with and they are encouraged to regularly update their privacy settings. For further information on Snap Maps go to <https://new.thinkuknow.co.uk/professionals/our-views/snap-maps/>

## Reading at Home with Reading Cloud

We are strongly committed to improving literacy and recognise the importance of reading for pleasure. We want to encourage children to enjoy reading and to read a wide range of good quality literature. Within Forehill, we have introduced a new online resource called "Reading Cloud". You can access the system directly using the

following link: <https://www.readingcloud.net>. The system allows pupils, staff and parents to view our school library catalogue online and pupils are encouraged to use this to help with research, to write reviews about books they have read, blog about what they are reading and their favourite authors. The system includes a fantastic new feature called 'Who Next' which recommends new books and authors based on the books you have already read. You will be able to use this feature at home to help your child select their next book. Your child will be issued with their new library card and password by their class teacher. We hope you enjoy making use of this fantastic resource.

## Clubs to Promote Personal Achievement

We are in the fortunate position of being able to offer, in partnership with our active schools team, a wide range of clubs and activities during lunchtimes and after school. We would ask that children who are fortunate to gain places at these activities make the most of the opportunity by attending regularly and choosing to behave in an appropriate way. My thanks to the many staff and volunteers who run these activities for the young people in the school. We are always keen to hear from parents and friends who have a particular skill, interest or talent, to share these with some of our young people. If you would like to be involved in this, it would be great to hear from you. Please get in touch.

## Communication

Communication is key to an effective partnership between school and home, and I am grateful to the large number of parents who support this. To ensure your query is dealt with appropriately, office staff will attempt to direct your requirements to the relevant promoted member of staff who has responsibility for your child's class. Where you have a query about your child's learning or behaviour, in the first instance the link would be with the class teacher. However, should you wish to speak to a promoted staff member, we each have departmental responsibility as follows:

Nursery:	Mrs Carswell	P5:	Mr McDowall
P1:	Mrs Carswell	P6:	Mr Watson
P2 & P3:	Mrs Hartley	P7:	Mrs Baines
P4:	Mrs Hartley		

## Learning Together Sessions

Each session, we invite you as parents into classes to take part in learning activities alongside your children. These have been very successful in the past and allow you to see the range of learning your child is involved in. At parental request, we are able to provide dates well in advance for the learning together sessions. Parents should report to the reception area. The dates for this session are as follows:

Class	Date	Time	Class	Date	Time

## Forehill Youth Club

For those parents who have children attending the youth club - we need **your** help!

We lost a few of our regular helpers for various reasons at the end of our last session and to enable the club to run, we are required to operate specific adult to child ratios. The more parent helpers we have, the more we can all share the cover required. The other alternative is to put up our weekly cost and employ a member of staff, however our funds may not sustain this cost. We also need more new committee members as a couple of our long standing committee members are now in their final year at the youth club as their children will be moving on to secondary school next year. For more information on any of the above please contact the following:-

Linda Davidson - 07710 638742

Siobhan McAnespie - 07702 217010

Elaine McCubbin - 07710 404014

As always, should you have any queries about anything within our newsletter, or in connection with your child's learning, please do not hesitate to contact the school. In a bid to cut down on paper, newsletters will be issued only to the oldest sibling in the family. In addition, it is available on the school website.

I look forward to another busy, successful year for the Forehill Community.

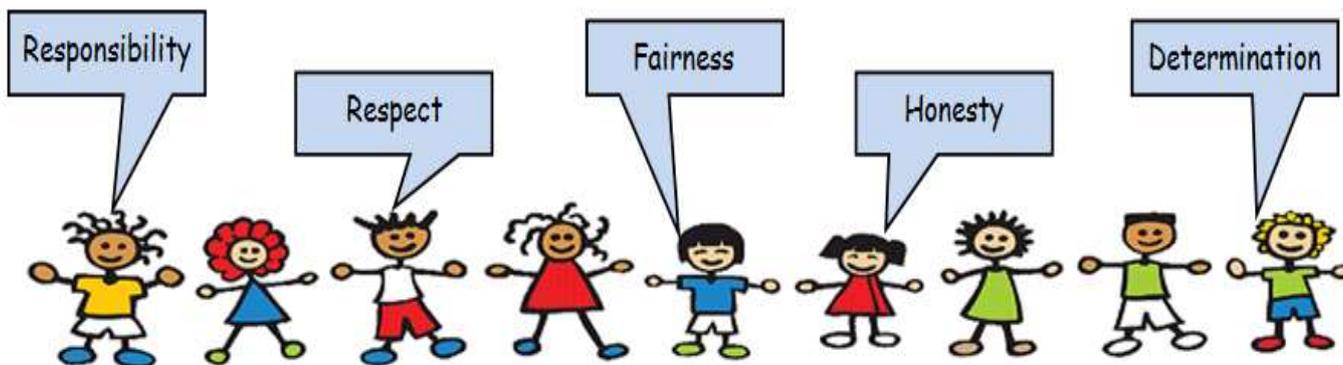

Many thanks &  
Kind Regards,

*D. Watson*

### Our Values.....

### Our Vision .....

In Forehill, we believe that every child should be inspired and challenged by the opportunities we offer. We do this, by working in partnership with parents and children, building a learning community in which we:

- ✓ Provide a broad, balanced curriculum, relevant to our learners, which prepares them to be successful in a changing world.
- ✓ Promote a culture of high expectations and achievement
- ✓ Encourage independence, confidence, resilience, curiosity and enthusiasm
- ✓ Promote a nurturing and inclusive ethos, which recognises and celebrates individual skills and achievements

# Our Aims

Successful Learners	Confident Individuals
<p><u>Children</u> To participate fully in all learning opportunities on offer in and out of school, continuing to improve and develop skills and knowledge in all areas.</p> <p><u>Parents</u> To take an interest in what my child is learning, offering support to build on their learning at home.</p> <p><u>Staff</u> To provide broad, meaningful learning experiences, which enable all young people to become successful, confident, responsible and effective, equipped with skills for work and lifelong learning.</p> <p><u>Community</u> Work in partnership with pupils and parents to support positive learning opportunities and relationships within a caring and inclusive local community.</p>	<p><u>Children</u> To believe that anything is possible through hard work, effort and determination.</p> <p><u>Parents</u> To celebrate and nurture success at home, and to provide a solid, secure emotional foundation which promotes self-belief.</p> <p><u>Staff</u> To provide active, challenging and stimulating learning opportunities and promote positive relationships within a safe, nurturing environment.</p> <p><u>Community</u> Through the sharing of mutual values, help and support the school community by promoting mutual respect.</p>
Responsible Citizens	Effective Contributors
<p><u>Children</u> To take responsibility for their own learning, behaviour and respect shown to everyone in the school community.</p> <p><u>Parents</u> To support parents in encouraging them and their children to take responsibility for aspects of learning and achievement in and out of school.</p> <p><u>Staff</u> To provide flexible learning experiences which offer personalisation and choice through a progressive and broad curriculum. ## PARENT COUNCIL & FUNDRAISING GROUP UPDATES

Welcome back to a fun filled school year with some exciting activities planned from now until the end of June 2018. We'll post regular updates through the Newslink and on Facebook 'Forehill Primary Parent Fundraisers'. We are always looking to add new members to our group. Contact us below if you are energized around giving our children the best. A few hours to volunteer is all it takes!

### 50<sup>th</sup> Celebrations Fayre & BBQ

Kicking off the school's 50<sup>th</sup> anniversary celebrations is the BBQ, which will take place on **Friday 8<sup>th</sup> September at 6.30pm.** One pound admission and then **FREE** bouncy castles, slides, assault course, face painting and much more. All money raised goes to the school. All donations for our bottle and cuddly toy raffles are welcome - please drop these off at the school office.

### Who are the Parent Council and Fundraising Group?

This Month, the first Parent Council and Fundraising Group Meeting of the School Year takes place on **Wednesday 20th September, 7.30pm-9.00pm.** The Office Bearers were chosen at the AGM:

Parent Council and Fundraising Chair: Chris Hynds.

Vice Chair: Karol Murray.

Treasurers: Elaine McCubbin/ Jean Fields

Relief Treasurer: Claire Brand

Secretary: Kathryn Samson.

### Smartie Challenge

We are calling on all our 'Smartie Pants' again this month to help raise money. A letter will come out soon asking for your help and giving all the details.

## PARENTAL RESPONSE SHEET - September 2017

Child's Name: \_\_\_\_\_ Class: \_\_\_\_\_

Parent's Name: \_\_\_\_\_

In relation to **learning**, what are the things that are important to you and your child when at school?

What are the things you would like your child to achieve this session?

When your child has a good day at school, what makes it good?

As a parent, how do you feel home and school can best work together to ensure the best outcomes for your child?

	<u>Yes</u>	<u>No</u>
I would like to be involved in helping to organise some of the school's 50 <sup>th</sup> Anniversary Celebration Events.		
Would you be able to assist for a short time each week, with our school library?		
Would you be able to assist for a short time each week with our school garden and planters?		

Any other feedback or suggestions you would like to provide on any aspect of our school:
